

A black and white line drawing of a Thanksgiving-themed coloring page. The central focus is a large, ornate oval frame containing the word "Thanksgiving" in a bold, outlined, sans-serif font. The frame is decorated with three large daisy-like flowers at the top and several oak leaves. Below the oval, there is a cluster of pumpkins of various sizes, some with stems, and several round gourds. The entire scene is surrounded by smaller oak leaves and decorative swirls. The background is plain white.
