

PERIODIC TABLE CROSSWORD

ACROSS

DOWN

- 5) Liquid metal in group 12
- 6) Symbol Th
- 9) Noble gas in period 2
- 10) This group is used in neon lights
- 12) Is used to make photographic films and jewelry
- 14) Name for the group II metals
- 17) A metal with 26 protons

- 1) The second lightest element
- 2) Atomic radius ___ down a group
- 3) A gas with 8 protons and 8 neutrons
- 4) Metals are ___ conductors of electric current
- 7) Silicon is a _____
- 8) Symbol Na
- 11) This metal is liquid at room temperature
- 13) Having a regular, repeating pattern
- 15) A metal with 28 electrons
- 16) Atomic number 50

Name: _____

Date: ___/___/___ Grade: _____
